SC Court of Appeals

THE STATE OF SOUTH CAROLINA
In The Court of Appeals

APPEAL FROM HORRY COUNTY
Court of Common Pleas

Benjamin H. Culbertson, Circuit Court Judge
H. Steven DeBerry, Circuit Court Judge

Civil Case No. 2022-CP260-5492
Appellate Case No. 2023-001580

Rose Bernard,

Appellant

v.

Lucas Green; Aperture Investigations,

Respondent

MOTION in OPPOSITION TO STRIKE
FINAL BRIEF AND RECORD ON APPEAL

APPELLANT'S BRIEF AND FINAL BRIEF

1) On page 2, 3rd paragraph down, in Respondent's Motion to Strike, he said that I "made changes on pages 2, 6, 8, and 9 of her Final Brief which are not allowable..."

a) On page 2, paragraph 7 of my brief states: "7) My 3 motions, mentioned above, were set to be heard on Sept. 9, with the Honorable Judge..."

b) On page 2 of my final brief states: "7) My 3 motions, mentioned above, were set to be heard on Sept. 6, with the Honorable Judge..."

2) On any keyboard, the numbers 6 and 9 are close in proximity and Sept. is the ninth month of the year. When I created all the documents for my appeal months ago, I didn't notice that the change in my brief didn't take as I was fixing typo's and grammar in the two documents.

3) The content of my briefs have not changed; the argument had not changed. My brain hurts and I don't see the other errors that Respondent says exists and he didn't mention it.

APPELLANT'S RECORD ON APPEAL

4) On page 3, first paragraph of Respondent's Motion to Strike, he states, " The Record on Appeal filed by Appellant is not formatted according to Rule 210(c)"

5) I copied SCACRIIFORM15 or just Form 15 from the court website that lists various forms to utilize.

However, the table of contents for the pdf file I created to submit my paperwork is an error cuz I didn't realize it existed as it did. It was an oversight.

Respectfully Submitted,

Date: Jan. 23, 2024
