RE: Notice of Appeal from PCR in Corey Jawan Robinson v.  
State of South Carolina CA 2011-CR-22-00884

Dear Clerk of Court,

I recently got my order of dismissal from the PCR court the end part of June 2013. My PCR lawyer Jason P. Boan at Boan Law Firm LLC told me he filed a timely Notice of Appeal with your clerk office, I submitted him a Affidavit of Indigency so that I can receive an Appellate Counsel on my appeal. It been over 30 days and I have not heard nothing from the court, Appellate Defense nor Jason P. Boan PCR lawyer, I am guessing this clerk can provide me something in writing to let me know if my appeal (Appeal) has been filed in this court Clerk's Office and who Appellate Counsel is suppose to be representing me in the matter. My 2 biggest issues are (1) Appellate Counsel was ineffective assistance for failing to file a merit brief on direct verdict issue of Applicant was legally entitled to flee from officer because there was no probable cause or reasonable suspicion to stop me and he was prejudice and (2) Appellate Counsel was ineffective assistance for failing to file a merit brief on trial. Judge erred in not granting motion to suppress evidence and I was prejudice under Person v. Ohio. I more good issues also but these will show false imprisonment. Please contact me to let me know if my Appeal of this date has been filed in your office.
