**CONSENT MOTION TO AMEND
THE RECORD ON APPEAL**

The Appellant filed and served the Record on Appeal on or about January 5, 2024. Upon further review, the attorneys for the Appellant and the Respondent have determined that the current version of the Record on Appeal is incomplete for two reasons. First, two items designated for inclusion by the Respondent were inadvertently omitted. Second, the pages of the current version are not consecutively numbered in accordance with Rule 210(c), SCACR. For these reasons, the parties hereby consent and move for an Order allowing counsel for the Appellant to file and serve an Amended Record on Appeal and providing 15 days from the date of such Order to do so. The

parties further jointly request that the Court allow them to have 20 days from the date of the service of the Amended Record on Appeal to serve and file their respective final briefs.

Respectfully submitted,

We move and consent:
