Ms. Kitchings,

I see that the court has scheduled cases on February 8, 2024, but there is not a calendar for February 14. Does this mean it has not been finalized or that the court has decided not to have arguments on the 14th? I have these two dates held on my calendar but would like to schedule other matters if we will not be called to argue on these dates.

Please advise,

Thank you,

Robin Jackson
