Case # 2023-001830
Roberts vs Roberts

Civil Case# 2023CV0211000427

Hello,

I am asking for clarification on this case above. This is an eviction case due to the tenant having not paid the rent in more than a year and the tenant also doesn't have running water or sewage on active at the property.

Does this appeal at the state appeals office "enforce any stay"?

Does this active appeal by the defendant by its nature "bring a halt to the eviction order" by the lower court in Civil Case# 2023CV0211000427?

Thank you so much for clarifying this in writing.
