RE: Correction of Motion for Additional Extension in Case #2023-001649

February 1, 2024

RECEIVED
Feb 01 2024
SC Court of Appeals

To the Judge and/or Clerk deciding my case events:

Regarding this morning's communication about the removal of exhibits 4 and 5 from my Motion for Additional Extension, the reason why I made the mistake I made is because the crime scene photos on the other victim's social media had been posted the very same day (on or about 5/19/2024) as the violent incident against the other victim and my son. I retrieved them on the same day while he was hospitalized. Therefore, I made a faulty assumption for which I apologize that they therefore must have been from the same incident, as the post was current.

My sincerest apologies again for this inconvenience, and also for not double-checking before I included them.

Respectfully,

Mary A. Griffith
