SC Court of Appeals

I hope this letter finds the courts well. I was sentenced on April 13, 2023 to 16 years. My attorney at the time put in a motion for a sentence reconsideration. In December of 2023 I found out an appeal was put into motion without my knowledge. I do not want to put my victims or their families through re-living the trauma caused by my actions. I pray for their healing everyday. Im continuing counseling through South Carolina Department of corrections; where im learning to better myself and my future by coping and managing my post partum depression. I'm appreciative of the opportunity for an appeal, but I wish to withdraw the appeal immediately.

May I also receive confirmation that my appeal has been withdrawn? Please and Thank You so much in advance!

Sincerely
~Breanna Marie Audette
