Re: Raekwon Wilson v. State of South Carolina
Appellate Case No. 2024-000127

Dear Ms. Howard:

While my client requested I appeal the dismissal of his PCR action I cannot provide an arguable basis for asserting the determination of the PCR judge was improper.

Mr. Wilson is advised that he has twenty (20) days from the date of this letter to file to the Supreme Court at the above address a *pro se* explanation as to why he believes the determination of the court was improper. See *Dennison v. State*, 371 S.C. 221, 639 S.E.2d 35 (2006).

The undersigned was appointed in this matter and moves to be relieved at this time.

Sincerely,

Susannah Ross
