

The South Carolina Court of Appeals

Samuel Wilder, #258295, Appellant,

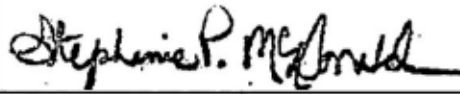

v.

South Carolina Department of Corrections, Respondent.

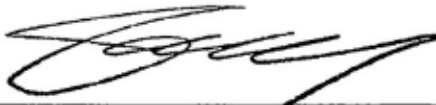

Appellate Case No. 2023-001758

ORDER

On December 7, 2023, we dismissed this appeal because Appellant failed to provide the notice of appeal filing fee. *See* Rule 203, SCACR (d)(2)(B)(iii) (stating that a notice of appeal shall be accompanied by the filing fee as set by supreme court order). Appellant filed an amended proof of service on December 11, 2023, which we construe as a motion to reinstate the appeal. After careful consideration, we deny the motion to reinstate the appeal because Appellant has not provided the required filing fee. The remittitur will be sent as provided by Rule 221(b), SCACR.
