

The South Carolina Court of Appeals

Robert E. Shirley, Jr., Appellant,

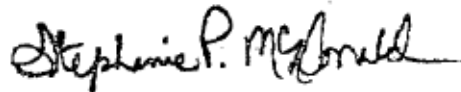

v.

South Carolina Department of Employment and
Workforce and The Boeing Company, Respondents.

Appellate Case No. 2022-001718

ORDER

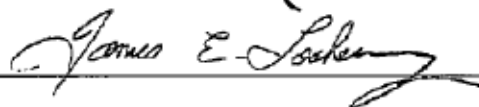

Appellant has filed a motion "to move the case to a lower court/and or dismiss." We construe the motion as a petition to rehear the dismissal of this appeal. After careful consideration, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition is denied.
