Re: Designation of Matter To Be Included In The Record On Appeal
Appellate Case No. 2023-001839

Dear Clerk:

On 29 January 2024 I received a Record on Appeal, Designation of Matter to be included in the Record on Appeal, and Order from the Court. The Court found the initial brief was not accompanied by a designation of matter to be included in the record on appeal.

The appellant can only assume that the Court overlooked the designation of matter to be included in the record on appeal due to the bulk of documents sent to the Court. In any event, enclosed is the designation of matter to be included in the record on appeal.

Respectfully Submitted
