IN THE COURT OF APPEALS
 NINTH JUDICIAL CIRCUIT
 Case No. 2021-001183

MOTION FOR DISMISSAL, REMOVAL
 OF RESPONDENT AND THEIR DEFENSE, &
 ABEYANCE REQUEST

I am requesting this Motion for Dismissal and Removal of Respondent and their Defense in this case, because of all the known things I have been complaining about and have pointed out to The Honorable Jenny Abbott Kitchings and The Honorable Patricia A. Howard, also told, and pointed out those things to Mr. Tyler Clark. Here are just some of things that the respondent/Mr. Charles Norris have done even here at The Court of Appeals. (1) after a copy of the transcript was filed and stamped with the appeals court that I the appellant sent in was (somehow) downloaded and signed that was not sign when it was submitted and stamped by the court of appeals by Mr. Tyler Clark. Wherein I was complaining about the transcript not being sign and cannot be certify and accepted in my briefs and record on appeal. (2) there are other places in which the respondent changed things to make it lose it point and even sound confusing and senseless. But all these things and more was done in the lower courts by the respondent/Mr. Charles Norris. All the things that I have mention just show you his true M.O.
