Re: Paul David Hess, APRN-BC v. Morphis Pediatric Group of Lancaster, P.A. et al.,
Appellate Case No. 2022-001589

Dear Ms. Harrison:

I received your letter of February 6, 2024, regarding the above-referenced appeal. I was confused by the first sentence, which indicated that the time for filing the record on appeal and final briefs "is approaching." The parties actually submitted the final briefs and record electronically on September 18, 2023. Because the letter is based on the incorrect premise that the filings are forthcoming, there is no separate deadline stated for submitting the bound copies of the final briefs and record. Please advise counsel about the deadline for filing the bound hard copies of the documents.

Thank you in advance for your attention to this matter.

Sincerely yours,

David E. Rothstein

I called for clarification on this very topic. The clerk left me a voicemail in response to my call. She told me to file one set of printed briefs and the record, i.e., one printed and bound copy of each item.

I also could not pare this up with the rules or orders but I'm going to do as instructed.
