Mrs. Kitchings,

Hello Good Morning / Afternoon!
How are you doing? I hope / pray that my letter finds you
doing well... My name is Bradley Hampton Jackson #391410. My
Appellate Case No. 2023-001090. I'm at Evans Correctional
Institution 610 Hwy 9 West Bennettsville, SC 29512. I am
writing to you and my Appellate Attorney wanting to stop my
direct appeal and move forward with my PCR. I put my first
PCR (2023-CP-15-00706) in not knowing that I first had to stop
writing you and my Appellate Attorney to put a stop to the
direct appeal. So my writing you both now wishing / wanting to
stop the direct appeal and moving forward with the PCR. Also
one: I've filled out another PCR form (since I didn't do it right
the first time) & again sent it to the Colleton County Clerk of
Court: Copy on please P.O. Box 620 Walterboro, SC 29488. Two: I wish /
want a change of venue from having my PCR hearing held
in Colleton County (where my trial was held) to Charleston
County reason being: I feel I will not get a fair hearing in
Colleton County. Three: I do not want Judge Robert J. Bonds over
my PCR hearing reason being: He was over my Bond Reduction
hearing back on the 29th of April 2022 & he refused my bond
reduction even after the solicitor admitted there was no
richens nor indictment. So for Judge Bonds to be over my
PCR hearing it will be bias & a conflict of interest if he
doesn't sign off on the proposed order that Assistant Attorney
General Danielle Dixon sent him reason being: "He knows my case!"
Thank you for taking the time to read my letter & look forward
to hearing from you...
w/h. Jones
