v.

Appellant.

Case No. 2023-022000

Motion to Reinstate

Comes Now, the Appellant in the above captioned matter respectfully moves this honorable court to reinstate the above-entitled action for the following reasons:

Interest of Justice: The reinstatement of this action serves the interest of justice as there has been no actual injured man or woman with a written professional bill of particulars. There has been no due process. Affidavit was provided and the party was not in court to be cross-examined.

Compliance with court rules: All applicable court rules regarding the procedure for reinstatement has been followed see attached documents.

Wherefore, premises considered, Appellant respectfully requests that this Honorable Court grant the motion to reinstate the above-entitled action and for such other relief as the court deems just and proper.

Respectfully Submitted,
