

The South Carolina Court of Appeals

Remus Lewis Hudgensbey, Appellant,

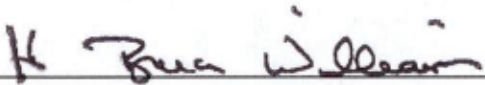

v.

Jackie Stoddard, as Personal Representative of the Estate,
Respondent.

Appellate Case No. 2023-001030

ORDER

On October 23, 2023, we reinstated this appeal and required Appellant to file and serve his initial brief and designation of matter within thirty days. On January 3, 2024, we dismissed this appeal because Appellant failed to file and serve his initial brief and designation of matter as required. On January 22, 2024, this court received documents titled initial brief of appellant and designation of matter from Appellant; however, there was no proof these documents were served on Respondent. We construe these filings as a petition to rehear the order of dismissal. After careful consideration, the court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.
