Good afternoon, all.

Appellant opposes the Respondents' motion to strike; we will submit a response to the motion as soon as we are able.

That said, we do not oppose Respondents' request for additional time to file their Initial Brief after resolution of the motion. With the current deadline of February 21, 2024, I wanted to convey our consent on that limited issue this afternoon.

If anyone has questions or needs anything from us, please let me know. Thanks, -Kyle.
