**RE: Proof of Service of 3rd Motion for Extension in Case #2023-001649**

February 17, 2024

**RECEIVED**  
**Feb 20 2024**  
**SC Court of Appeals**

To the Court and/or Clerk deciding my case events:

The Proof of Service of my 3rd Motion for Extension, which this Court requested in the referenced action's deficiency correspondence on 2/7/2024, was e-mailed for filing on 1/30/2024. There were several other materials for filing included in the 1/30/2024 correspondence.

I'm now combing through our correspondence in order to determine whether other deficiencies exist if, in fact, my 3rd Motion for Extension's Proofs of Service upon the defendant and lower Court were not filed.

I apologize for the confusion.

Respectfully,

---
