RE: Shannon Shaw v. Amazon.com
Appellate Case No. 2024-000034
Our File No. 054685/01500

Dear Ms. Kitchings:

At the request of the parties, post-trial motions have not been addressed as yet, as the parties have engaged a mediator and are in active discussions regarding the matter and the Circuit Court is allowing some time for those discussions. The circuit court has also indicated that, should the parties not come to resolution by March 1, 2024, the circuit court is prepared to issue its rulings on the post-trial motions at that time.

With kind regards, I remain

Sincerely yours,

C. Mitchell Brown
