Re: Jasmine Gibson v. Rosa DeVeaux
Appellate Case No. 2023-001119

Dear Counsel:

We received your motion for extension of time to serve and file the appellants' initial brief and designation of matter dated February 15, 2024. The motion is requesting an extension of eight (8) days, or through February 23, 2024, to serve and file the appellants' initial brief and designation of matter.

Our records indicate that this Court issued an order dated January 30, 2024 granting an extension of time to serve and file the appellants' initial brief and designation of matter until February 28, 2024. Therefore, the motion for extension of time to serve and file the appellants' initial brief and designation of matter dated February 15, 2024 is not necessary. No further action will be taken on your motion for extension of time to serve and file the appellants' initial brief and designation of matter dated February 15, 2024.

Very truly yours,

CLERK
