Appellant

February 8, 2024

This court filed an opinion in the case on 1-17-2024 which Appellant received on 1-19-2024. On 1-26-2024, Appellant filed a motion for an extension of time to file a petition for rehearing which there was an error in the caption of that motion. Appellant is amending this motion to correct the caption and any deficiencies in this matter which appear to be overlooked by the appellant as this is a motion for an extension of time to file appellant's petition for rehearing or rehearing En Banc. Appellant, Nelson L. Bruce, hereby moves pursuant to Rule 263(b), SCACR, for a 30-day extension of time from the current deadline in which to serve and file Appellant's Petition for Rehearing of Matters in this case. The grounds for this motion are that there is good cause to grant the requested extension, as the following shows:

1. The deadline for filing a petition for rehearing is February 1, 2024.
2. Plaintiff is currently working on filings for his pending Federal District Court Case (Bruce v. REV Federal Credit Union, et al. case no. 2:22-cv-01292-BHH-MGB) which the deadlines are approaching on.
3. Because of the length of filings related to this case, and the nature of the issues on appeal, it will take some time for appellant to go back and research all that has been presented in appeal from over 2 years and to draft up a petition for rehearing addressing the opinion of the court.
4. Appellant believes there is good cause to grant the requested 30-day extension.

WHEREFORE Appellant prays for an Order extending the time in which to file appellant's Petition for rehearing for thirty (30) days from the date of an order granting this extension of time. This motion is not being presented to cause unnecessary delay, or for any

other improper purpose. This requested extension of time is much needed so appellant has enough time to sufficiently review the record and draft a petition for rehearing related to the opinion of the court.

RESPECTFULLY PRESENTED,

“Without Prejudice”
