Appellant, Kenneth S. Pmelkey moved/request this Court to disregard the Respondent's Motion to Dismiss or For the Alternative STRIKE Appellant's BRIEF, INITIAL BRIEF mind you.

Team Leader Ms Sierra Richie accepted my corrections. 12/11/2023
Deputy Clerk letter sent to me Appellant. Deputy Clerk correction of Appellant's Initial Brief was 12/28/2023 on South Carolina Appellate Case Management System - Event Information.

All other correspondence sent to Counsel Attorney J. Christopher Lanning has been accepted by him. Under my same handwriting with no quorums. Motion to Relieve, motion to reinstate, motions to Hold in Abeyance. motion - no return to motion - clarify.

Does Counsel seek to be the team leader (Ms Sierra Richie or Chief Deputy Clerk Catherine S. Harrison, who on January 18, 2024 said the time for filing and serving the respondents initial brief and designation of matter has EXPIRED. on letter from Court of Appeals Deputy Clerk (Chief) Catherine S. Harrison stated the court received appellants corrections on December 28, 2023. saying the respondents initial brief and designation of matter are due within 16 days from the date of this letter and a motion for allow late filing will need to accompany the documents. I noted to Ms Sierra Richie the the Attorney was in address now: Mr. J. Christopher Lanning Esquire.

The respondents Attorney does not use the Lower Courts Case number. which is 2020 CP 88 01945. But uses the Appellate Court Case number 2022-001505. on paragraph 6. The respondents says "Appellant's argument sets forth that another case (2022-CP-88-00478) was used in the ruling for the case being appealed. Then he says The other case (2022-CP-88-00478) referred to by Appellant is never referenced in the Master-In-Equity's order for the case being appealed. Counsel uses the same case TWICE. He does not use Case No 2020 CP 88 01945. Both of which he should be under investigation for at the Office of Disciplinary Counsel, in that same building.

I tried several times to get an Abeyance from this Court. Until the Office of Disciplinary Counsel made their decisions on T. Edra Conroy, Esquire, Jeffrey Weathers, Esquire, Thomas Bush, Esquire, Master-In-Equity Dale Edward van Starn Brook, Judge Diane T. Scherer, reported to the Office of Disciplinary Counsel, and to the Chief Judge in Charleston. Judge Jennifer Mezey and Magistrate Judge Ebonne T. Whaley.

It is strange that the decisions for these individuals have not been decided. Or sent to me. It is almost like there is coordination between the Appeals Court and the Office of Disciplinary Counsel.

Respondent's Counsel clearly seeks to Argue his case
In his motion to dismiss and strike Appellant's Brief.
This court should Be wary and wait to wait and see
By Abeyance to the Decision made on the Attorney's
Master In Equity, Judge and Magistrate.

The Respondent's Attorney refuses to say Anything about
the Transcripts that he was responsible for. My Attorney (I am not believed by Court
refused to get the transcripts. Refused to give a simple
status report to ms Sierra Richie. Sending a letter to
Court Administration? these Transcripts in my motions attest
to my competent, credible facts, evidence and Law
which is undisputed. Case # 2022 CP 08 00498
was used to make Respondent's client a Brother when
on AA David's my mother states he is a Brother - Attorney did the deeds:
Respondent is my Cousin. His mother is still living
up in Philadelphia. I was Born in Philly and I
was raised up with her and her children my
Cousins. They needed something to cover the fraudulent
Deeds. A six month case, before a 2 yr case on
the same day. The six month case at 9:30 but the
2 yr case at 10:00 The fix was in on 8 Sep 22.
I want the Court to see the Transcripts, Exhibits,
Evidence, facts and Law. I Demanded a Jury

Trial. There is something very strange. I Chris Canning is
Directly responsible for the 6 OCT 21, Deposition that had
Irregularities I report to my then Attorney Jeffrey Scott
Weather, Also the two transcripts and exhibits of case
2020 CP 88 81545 and 2022 CP 88 88478. The
Second case 2022 CP 88 88478. Attorney Thomas Brush
who is on the order of Reference did not show up to
Court. This is the 5th and Kerya Co Court I'm Talking
about. My Constitutional Rights have been violated. Due Process
of notice and to be heard. were one the transcripts. This is unheard of
in the court system. Code 14-11-85 by Law State Appeal to Supreme Court
Conclusion

How did this case come to the Appellate Court. H. 3162
and Code 14-11-85 clearly state Appeal to the Supreme Court
Both case State Appeals Court on Both order of Reference and
Consent order of Reference. And the Decisions or order of Both
Cases 2020 CP 88 81545 and 2022 CP 88 88478. There
has been Fraud, ~~Abuse~~ Abuse of Discretion Misconduct, Fraud
on the court and Fraud on the court By the court.
Now Ms Sierra Richie has departed the case. This case
Should continue for the Truth and Justice. Respondent's
Attorney, dishonestly, denies the truth, talks over the truth. The
American Justice System is to have your DAY in Court
The Right Jurisdictional Court and Venue to hear
Notice and to be heard. DUE PROCESS for Justice
