Patrick Lee Booker, Appellant,

SC Court of Appeals

Vs.

Local Finance of Greenwood, Respondent.

Appellate Case No. 2023-001989

MOTION TO REINSTATE APPEAL

Pursuant to Rule 260 (a) of the South Carolina Appellate Court Rules, the Appellant hereby moves to reinstate the appeal on the grounds that, contrary to the Order dismissing this appeal, the Appellant did provide sufficient proof of service¹ that the Respondent was served notice of the appeal. The only deficiency which remained was the failure to submit the filing fee for the notice of appeal, as required by Rule 203 of the SC Appellant.

The Appellant did ask for, and was granted, an extension of time to pay the required filing fee. The Appellant, however, became very sick to the point he was sent home from work and told not return until cleared by a doctor. I was subsequently placed under doctor's care and restricted from activity such as going places.

The Appellant recently regained his health and strength and prays that this Court accept his late payment of the filing fee of \$ 250.00 which is attached hereto.

¹ The Appellant corrected the deficiency regarding proof of service at the same time he moved for an extension of time. Thus, there was no longer of deficiency regarding proof of service.
