RE: Tyrone Ellison v. State, App. Case No. 2023-001432

Dear Madam Clerk:

Per the Order issued on January 26, 2024, the Petition for Writ of Certiorari and Appendix is to be served and filed by February 26, 2024 in the above referenced appeal. I am writing to request an extension of thirty days for filing the Petition and Appendix. I am making this request due to a heavy workload, complexity of the appeal and need to further communicate with my client before filing. I am further requesting this extension due to several illnesses that limited my ability to work and travel during the last 30 days. I am scheduled to meet with Mr. Ellison at Lee Correctional Institution on February 28, 2024. I have communicated the need for this extension with Danielle Dixon, Assistant Attorney General, and she informed me that she did not oppose my request.

Thank you for your assistance with this matter. Please contact me if any additional information is needed.

Yours truly,

Tricia A. Blanchette
Attorney at Law
