

The Supreme Court of South Carolina

Ricky Burton, Petitioner,

v.

Hardaway Concrete Co., Inc., Employer, and Liberty
Mutual Fire Insurance, Respondents.

Appellate Case No. 2011-199766
Lower Court No. 2007WC4017674

ORDER

The parties in this case requested the case be dismissed because they had reached a settlement. The parties also requested the case be remanded to the Workers' Compensation Commission for approval of the settlement agreement. By order dated May 24, 2013, we declined to dismiss the case, but agreed to hold it in abeyance and remanded it to the Workers' Compensation Commission for consideration of a proposed settlement agreement. Counsel for petitioner has now provided this Court with a copy of the settlement order filed with the Workers' Compensation Commission on July 30, 2013. In light of that order, the parties' earlier request for dismissal is granted. Rule 260(b), SCACR; Rule 261(b), SCACR.
