

The South Carolina Court of Appeals

Sharon Brown, Appellant,

v.

Cherokee County School District One, Respondent.

Appellate Case No. 2022-001582

ORDER

On November 30, 2023, we dismissed this appeal because Appellant failed to serve and file her initial brief and designation of matter in accordance with this court's November 9, 2023 order. On December 11, 2023, Appellant filed a motion to reinstate, asserting she was unaware her brief was due on November 20, 2023, because she had not received the November 9, 2023 order, granting her fifth request for an extension of time. No return was filed. After careful consideration, we grant Appellant's motion. The appeal is reinstated. Appellant's initial brief and designation of matter are due within ten days of the date of this order. No further extensions will be granted absent extraordinary circumstances. Appellant's failure to comply may result in dismissal of this appeal.
