Of Whom Enterprise Bank of South Carolina is the Appellant
Appeal from Anderson County Case No.: 2007-CP-04-2784
Appellate Case No.: 2012-213227

Dear Honorable Kitchings:

This letter is in response to your office's letter dated July 11, 2013 whereby your office indicated that "substantive changes" were made to the Appellant's Final Brief requiring an appropriate motion to first be served and filed prior to your office's acceptance of Appellant's Final Brief.

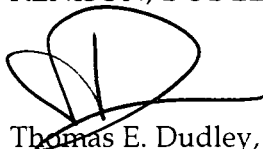

We respectfully request you reconsider your motion request. Upon our review, we are unable to ascertain any of the "substantive changes" noted by your office. Our letter to the Court dated June 25, 2013 specifically details each of the changes that were made to the Final Brief. These changes were typographical in nature and/or modifications of references to the record which were inadvertently left off the Table of Authorities in the Initial Brief.

Please note for your reference that we also have two other pending cases with the Court of Appeals arising out of the same underlying trial where we submitted similar letters with Final Briefs in those matters (Appellate Case Numbers 2012-213318 and 2012-213225). We received responsive letters from your office on both of those cases dated July 11, 2013, neither of which request a motion. Notably, these other two cases had typographical and reference to the record changes similar to the ones at issue here.

Thank you for your consideration and we look forward to your response. Please do not hesitate to contact our office if you have any questions.

Very truly yours,

KENISON, DUDLEY & CRAWFORD, LLC
