RE: Levi Bing, Jr., #308051 v. State, Docket No.: 2006-CP-38-0273

Dear Ms. Allen:

I am contacting you regarding the above referenced case because I have not received a response to the enclosed letter requesting the transcript from Harry A. Walker on April 8, 2013. In June, I received a call from Mrs. Walker indicating that she was retiring, but she would try to complete the transcript. As of today, I have not received it. Therefore, I was hoping you could help me ascertain the status of this transcript request.

Yours truly,

Tricia A. Blanchette
