Dear Court,

There's plenty grounds that show Counsel was ineffective. Counsel failed to mention a negotiation during the plea. The only plea I agreed to was a YOA. How did I receive 33 years when there was a cap of 20? plea bargain was never mentioned to me, therefore I did not understand I was expected to reveal a plea bargain in response to general inquiry. Had Counsel mentioned the negotiations I would have received a shorter sentence or not have took the plea. This whole ordeal questions the fundamental fairness of the proceeding. Clearly violates my right to due process.

I was not informed of my right to Appeal, nor fully informed of a plea bargain. The PCR transcript clearly shows that a YOA was discussed. Trial Counsel has a duty to make certain a client is fully aware of the right to Appeal.

Therefore, I motion that this sentence be vacated & overturned.
