Dear Mr. Daneille E. Shearouse

I'm requesting your assistance on a matter that needs to be corrected. I filed for a PCR about six months ago and I'm now just receiving legal mail about that they have dismissed my PCR without prejudice because they say that an attorney has filed for an appeal. I have no knowledge of an attorney filing for an appeal. Could you please check and see has there been an appeal filed by a counsel within your jurisdiction of the Supreme Court and would you inform me have there been appellate counsel for the indigent defense pointed to my petition writ certiorari. Also could you please forward a copy of my letter to the South Carolina appellate defence. Thank you for taking the time out to read this letter. God bless you and yours.

respectful submitted
