Appellate Case No. 2020-001323

ORDER

The parties to this appeal notified this Court on December 18, 2023 that the dispute between them was settled and asked that "the appeal bond in the amount of \$1,500,000.00, filed with South Carolina Court of Appeals on December 4, 2020, be voided and returned." This Court nevertheless issued opinion number 28189 on January 24, 2024. To end any future controversy that may arise about the remaining efficacy of the bond, we hereby declare that no portion of the obligations any party or surety undertook to secure this bond will ever be determined to be due. Thus, the appeal bond is extinguished.
