RE: Sandy Lee Locklear
Lower Court case No. 2021-CP-26-07958
Appellate case No. 2023-001280

Dear Supreme Court of Justices my prayer is that this letter will be put in good hands. Miscarriage of justice of unfair legal proceedings. Misconduct done intentionally and willfully by the attorney general office.

Attorney Chelsea F. Marto AAG. at one time worked for the attorney general office but quit late last year. Ms. Marto related to me in a conversation eight months after she had represented the state against me on Jan 5th 2023 case No. 2021-CP-26-07958 my second PCR hearing. Judge Steven H. John of Horry County Court House in Conway S.C

was not in agreement with the States final Order of dismissal. Judge John belived the issues raised by applicant were sufficient to have a evidentiary hearing of those issues before a judge. "order included".

The state put up an arguement intentionally and knowingly untrue on case No. 2021-CP-26-07958 and case No. 2023-001280 to secure a dismissal.

On Oct 26th 2023 Ms. Marlo offered to represent me for \$7,500⁰⁰. She admitted that the arguements presented at my hearing befor Judge Debra R. McCaslin on Jan 5th 2023 were in fact untrue and misleading, Judge Debra R. McCaslin failed to investigate the respondents arguement by ignoring due process and taking their arguement at face value. Violateing my constitutional rights for a fair hearing.

The same arguement was presented to Supreme Court, also dismissed. State proposed arguement for successivenss and Statute of limitations at no point were any issues raised on direct appeal or my first PCR for the allegation for Successivenss,

As for statute of limitations records can prove that's not true. I have tryed very hard to update those transcripts of that hearing on Jan 5th 2023 to no avail.

In closing thank you for your time in this matter as well as your service / duty to South Carolina.

God Speed
Sandy Lee Galleson.
