Re: *Jimmy Helms v. Debbie Willing*
Appellate Case No. 2021-0898

Dear Ms. Kitchings,

I am writing in response to Attorney Moore's letter to you, dated March 19, 2024. I represent the Appellant, Debbie Willing, in this matter.

I write in a hopeful effort to balance compassion for Mr. Moore's health and doctor appointment against my client's deep desire to move forward with an oral argument (for which this Court has been seeking dates since October of 2023).

Respectfully, I am willing to make myself available for oral argument on any other date in the April term of Court, including April 3, 4, 9, or 10.

Would this Court please consider honoring Mr. Moore's request by rescheduling to another date in April? Thank you for your consideration, and please do not hesitate to let me know if there is anything further that you require from me.

With kind regards, I am,

Yours very truly,
