

The South Carolina Court of Appeals

City of Columbia, Respondent,

v.

Marie-Therese Assa'ad-Faltas, Appellant.

Appellate Case No. 2022-000339

ORDER

In this court's November 8, 2023 order, we reiterated the deficiencies with Appellant's record on appeal, and stated that Appellant "must correct all three deficiencies with her record on appeal as articulated [in the order] within 10 days of the date of this order or her appeal will be dismissed." The court also advised we would not consider Appellant's motion to accept late filing of Volume II of her record on appeal until all deficiencies for the record were corrected.

On November 16, 2023, Appellant filed yet another record on appeal, which she has since informed this court is intended to be a supplement to her previously filed volumes, rather than an amended record on appeal. Appellant has still not corrected the deficiencies delineated in this court's November 8, 2023 order and October 19, 2023 deficiency letter. Accordingly, this appeal is dismissed. The remittitur will be sent as required by Rule 221(b), SCACR.
