Re: Thomas H. Morgan v. John Gilbert
Appellate Case No. 2024-000322

Dear Counsel:

The Court has received a copy of the motion for extension to file the appellants' initial brief and designation of matter which you filed on March 21, 2024. Now is not the time for filing the appellants' initial brief and designation of matter; rather, you must notify this Court of the date that you received the transcript to allow for the appropriate briefing deadlines to be set. We are returning the copy of the motion for extension to you without action. This appeal will be dismissed 10 days from the date of this letter if you do not provide proof of having ordered the transcript from the court reporter. Please be sure to copy the Court, opposing counsel, and Court Administration with any correspondence regarding the transcript.

Very truly yours,

CLERK
