SC Court of Appeals

May I please have one ^{SC Court of Appeals} continuance granted on my "Anders's - Brief"; Lieber Prison has had our dorm locked-down for the past 20 days so that I could not go to the Law-Library to research the Anders's Brief at all. I have just finished reading a book called "Appellate Practice in South Carolina Second Edition" in order to learn how to perfect my Direct Appeal. I want to make sure that everything I do, as far as my Anders's Brief, is admissible and correct. I just filed a motion with the Court of Appeal asking them to grant me "leave" in order for me to pursue a Motion on Rule 29(b) after discovered evidence, but I have not heard back from your office yet. I desperately need your office or the Court of Appeal to grant me "leave" because I have "Newly Discovered Evidence" that I need to make know to my trial Court Judge please, but I also need a continuance to be able to properly present my Anders's Brief Amendment. I'm not sure if the Court of Appeal granted me leave to pursue a Rule 29(b), if it would cancel my need for a continuance or not but if the motion for "leave" does not cancel out the need for the continuance to finish preparing my Anders's Brief, then I desperately need the extra time that the continuance would allow me to prepare the Anders's Brief.

Respectfully Submitted
