Re: Willie M. Knox, #153719 v. SCDC
Appellate Case No. 2023-001881

Dear Ms. Harrison:

I am in receipt of the March 8, 2024 correspondence regarding the filing fee for my Motion to Reinstate.

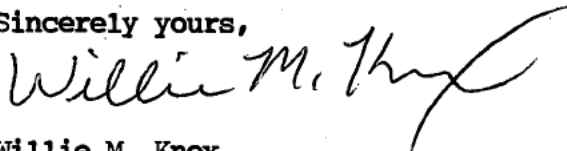

Please note that based on my indigence I have pending from November 2023 a motion for leave to proceed in forma pauperis in my appeal. On December 4, 2023 I filed a motion for extension of time to file the brief; also asking that my original in forma pauperis motion encompass that motion.

I am formally requesting that the Court consider the Motion to Reinstate under the umbrella of the pending motion for leave to proceed in forma pauperis as my indigence status remains the same and I am unable to pay for the appeal of subsequent motions. This appeal is of statutory and constitutional significance and there is a likelihood of success based upon existing precedent.

My living unit is currently on lock down status and my ability to produce an affidavit or requisite copies pursuant to Rule 240, SCACR is restricted.

Based on the foregoing I am formally requesting the fee for the Motion to Reinstate be considered under the pending motion for leave to proceed in forma pauperis. By copy of this correspondence I am formally serving Counsel for Respondent.

Sincerely yours,

Willie M. Knox
Appellant, pro se
