**BYLAWS
BLUE RIDGE ELECTRIC COOPERATIVE**

**ARTICLE I
Membership**

Section 1. Requirements for Membership. Any person, firm, association, corporation, or body politic or subdivision that becomes a member of Blue Ridge Electric Cooperative, Inc. (hereinafter called the "Cooperative") upon receipt of electric service from the Cooperative, provided that he or it has

(a) Made an application for membership therein;

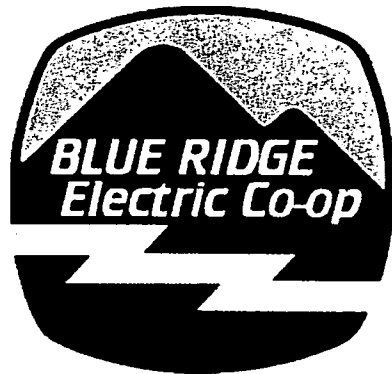

(b) Agreed to purchase from the Cooperative electric energy as hereinafter specified;

(c) Agreed to comply with and be bound by the Articles of Incorporation and Bylaws of the Cooperative and any rules and regulations adopted by the Board of Trustees, and

(d) Paid the membership fee hereinafter specified. No member may hold more than one membership in the Cooperative and no membership in the Cooperative shall be transferred except as provided in these Bylaws.

Section 2. Membership Certificate. Membership in the Cooperative shall be evidenced by a membership certificate which shall be in such form and shall contain such provisions as shall be determined by the Board of Trustees. Such certificate shall be signed by the President, also known as Chairman, or the Secretary of the Cooperative and the official seal shall be affixed thereto. No membership certificate shall be issued for less than the membership fee fixed in these bylaws, nor shall a membership fee have been fully paid for the certificate. In case of a lost, destroyed or mutilated certificate, a new certificate may be issued upon such uniform terms and indemnification as the board of trustees may prescribe.

400 Metering

401 Electric Meters

All meter sockets shall be furnished and installed by the consumer or his contractor at a minimum height of 5 feet and a maximum height of 6 feet as measured from the finished ground level to the center line of the meter. All meters shall be installed in such a manner and location that they will be readily accessible for reading and servicing.

The consumer shall furnish and install all wiring so as to permit the Cooperative to install the meter without any additional materials, and be in accordance with Section 202.

The Cooperative will deliver and meter at the standard secondary voltages as outlined under Section 105.

All meters shall be placed ahead of all consumers' switches and fuses unless otherwise agreed to by the Cooperative in writing.

402 Meter Reading

Cooperative shall read monthly the meters of all consumers of the Blue Ridge Electric Cooperative.

403 Incorrect Reading of Meter

Corrections shall be made whenever meters are incorrectly read. The correct reading shall be ascertained whenever possible, and the bills will be recalculated as nearly as possible to reflect the correct usage.
