We are in receipt of the attached letter. As the record will reveal, we have requested two transcripts – one of the June 1-4, 2021 trial and one of the March 14, 2023 hearing on our request for reconsideration (see your acknowledgement of January 16 attached). On February 16, we notified the court of our receipt of the trial transcript (attached). **We have yet to receive the second transcript.** Therefore, no brief is yet due in this matter.
