Re: AUDIO TAPE PROCEEDINGS on November 30, 2022

Dear Hon. Justices:

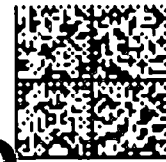

Appellant is in possession of a letter send by Appellate Defender Jessica M. Saxon on December 13, 2023. explaining there is no reason to hear or request the audio tape from November 30, 2022. I object. The material alteration ~~or~~ structural alteration changed the custodian of evidence testimony it has been removed. Appellant is requesting the Court for an order granting a hearing to compare oral testimony of proceedings with the transcript made March 14, 2024 and received March 18, 2024?

Thank you in advance in the matter.
