RE: Tyrone Ellison v. State, App. Case No. 2023-001429

Dear Madam Clerk:

For filing in the above referenced PCR appeal, please find a Petition for Writ of Certiorari, Appendix (3 volumes), and Certificate of Service.

Earlier this week, I also filed a Petition and Appendix for Mr. Ellison on App. Case No. 2023-001432. In my letter to the Court with that filing, I informed the Court that Petitioner introduced two CD exhibits at the evidentiary hearing (Applicant's Exhibit # 4 & 5) that are maintained in the custody and control of the Dorchester County Clerk of Court. The evidentiary hearing on App. Case No. 2023-1429 & 1432 was a consolidated evidentiary hearing, and these exhibits need to be considered in both appellate matters. So, I am respectfully requesting that the Court enter an Order for the transfer of these exhibits to be included in the record before the Court in both of these appellate matters. Please advise if I need to draft and/or provide anything for this matter to be accomplished.

Thank you for your assistance with this matter. Please contact me if any additional information is needed.

Yours truly,  
  
Tricia A. Blanchette  
Attorney at Law
