1The Order provides that, in cases where a party seeks review of a decision of the Court of Appeals pursuant to Rule 242 of the South Carolina Appellate Court Rules, a party "may be granted extensions totaling no more than twenty (20) days during the proceedings before this Court." Extensions beyond twenty (20) days are permitted based only on "extraordinary circumstances such as illness or other circumstances beyond the control of the movant [that] warrant the granting of the extension. The parties are warned that the press of other business is not an extraordinary circumstance which will warrant the granting of an extension."
