Mark McBarrette Lewis
v
State of South Carolina

To: Mrs Patricia A. Howard

I figured out the Problem the Marion Co. Court system is Pretending to be ignorant of my address, I guess. In My Response from the Clerk of Courts office in regards to my Request for a Case file History Sheet (Enclosed) I notice that the address is still listed as P.O Box 349 Chesterfield S.C., I notified the Clerk of Court in Marion More than a year ago of my address change to J. Reuben Long Detention Center at 4150 J Reuben Long Avenue and as I've expressed that I cannot properly file anything from here because we don't have access to postage stamps to certify Mail, you cannot buy a Postage stamp you cannot get copies of documents, you cannot anything but what I've been doing but write letters. They claim to have assigned me a lawyer, but there is no "notice of appearance" so how is this guy My Attorney to Prevent me from filing in my Case? It still shows me as Pro Se". there was a 1-22-2024 Motion to dismiss and an order/conditional order of dismissal I've never received as I stated Steven Fowler has never responded or contacted me after 5 Attempts on my Part to do so. How is this Possible when your office, the Clerk of Court in Marion, the AG's office and the AAG's office have All written me here and I've been

Here for OVER A Year Minus 2 weeks I was in Marlboro County. Whatever was done on the 11th of March I have yet to Receive, and this Pretend attorney has yet to contact Me at all SINCE his appointment Dec. 18th 2023. What kind of Games are the Courts Playing as you will see Enclosed this dude has filed Nothing not EVEN a notice of appearance. I Mean his name IS on the case but in 90 days he's done nothing. Whatever this Conditional Dismissal IS, of My own accord because I have NO Attorney through Appearance, Pro Se Allow this to Be My Notice of Appeal from this dismissal I never got.

Sincerly M. S.

P.S. See Attached Case History Sheets (3) and the Attached letter EXPLAINING that the fake APPOINTED COUNSEL has yet to Appear in this Matter, so how is this My Attorney of Record? Please copy AND Return for My Records and as Notice your office Received this Mailing. As you see I'm not getting My legal Mail here If It's Ever been sent to Me, or does the farce continue?
