

The South Carolina Court of Appeals

Blue Ridge Environmental Defense League, Appellant,

v.

South Carolina Department of Health and Environmental
Control and Dominion Energy, Respondents.

Appellate Case No. 2023-001351

ORDER

On January 10, 2024, this court remanded Appellant's petition for writ of supersedeas to the administrative law court (ALC). We directed the parties to notify this court immediately upon the issuance of an order and noted Appellant may renew its petition with this court at that time. The ALC issued an order on April 2, 2024, denying the petition for writ of supersedeas. Appellant informed this court of the ALC's decision on April 3, 2024, and requested ten days to serve and file a petition for writ of supersedeas with this court. After careful consideration, Appellant's request is granted. Appellant shall serve and file its petition for writ of supersedeas within ten days of the date of this order.
