The motion to supplement the record requested that the deadline be held in abeyance pending resolution of the motion because the additional documents are directly relevant to one of the primary ineffective assistance of counsel allegations and will be cited in the Return.

I was out of the office and staying in the hospital with my husband most of the week. Has the motion been resolved, and if so, what is the new due date? Thank you.

Deborah R.J. Shupe
Senior Assistant Deputy Attorney General
