**RE: Michael Crowley v. Darlington County
Appellate Case No. 2022-000282**

Dear Ms. Harrison:

We received a letter from the Court noting that the Court in reviewing the Record on Appeal felt that there were some records unrelated to this appeal contained in the Record on Appeal. We have gone through the Record and determined that apparently what the Court is referring to are references to various different middle initials in the Appellant's name. We have checked all the medical records and records involved using his birthday, which does not appear in the redacted copies, and confirmed that these are all references to the Appellant, and that again the mistake is in the recording of the middle initial in the various records. I

In fact, the middle initial in the caption is wrong; his middle initial is actually "A". I would propose that we simply drop any reference to the middle initial for Mr. Crowley and believe the simplest and easiest way to handle this would be for the Court to issue a one or two sentence Order simply ordering that the caption in the case be changed to "Michael Crowley, Appellant".

I look forward to hearing from you as to how the Court wants us to proceed. If the Court wants the Record corrected as to the middle initial, I would propose that we simply delete any reference to the middle initial on the cover page.

I look forward to the direction of the Court and would be glad to speak with you by telephone discuss how the Court wants to

proceed.

By copy of this letter via email, I am notifying Counsel for the Respondents of this communication concerning the Record on Appeal.

As always, I appreciate all the courtesies and kindnesses shown to me by you, your office, and the Court.

Sincerely yours,
