Good Afternoon,

This is Kimberly Minick reaching out once again about our case being dismissed due to not ordering a transcript and money order. As I have previously stated, we completed the transcript request and even communicated via email with the transcriber back in December. We also mailed a money order to cover the transcript request fee. On yesterday, we received a letter that stated that our appeal has been dismissed when we have done everything that we were told we needed to do.

Thanks, please let me know how to file a motion to reinstate our appeal.

-Kimberly Minick
