Re: The State v. Richard L. Ceter  
Appellate Case No. 2023-000255

Dear Ms. Kitchings,  
I'm writing in hopes of receiving a status update in regards to my pending appeal. I filed my pro-se brief in October of 2023 and have yet to be notified that the documentation submitted has been filed in a timely matter. I've contacted my Appellate Defense, Ms. Jessica Saxon, to no avail, and have not been given any updated information regarding the status of my Appeal, which is why I'm seeking this information and hope that you may be of assistance in this matter. If possible I would like to be given notice that the documents I filed pro-se have been delivered to the courts in a timely matter, and would appreciate if I'm furnished with a receipt of this transaction with the court. I thank you in advance for your full cooperation and assistance regarding this matter. Please provide me with a moderate response
