**RE: Michael Crowley v. Darlington County
Appellate Case No. 2022-000282**

Dear Chief Judge Williams:

I hope this finds you doing well. The above-referenced case has been set by the Court for hearing before a Panel of the Court on May 8, 2024 at 11:15 o'clock a.m. for 10-10-5 argument times. There are several issues in this case that are not only very important to my client, they are very important to the injured workers of our State. I know before I ask that my request is probably not possible, but I would welcome the opportunity to expand the argument time, but simply set it at the end of a Court session and be allowed to answer as many questions as the Court has in reference to those issues. I would welcome the opportunity to have a question directed to either side, and then both sides have an opportunity to present their opinion on the question asked.

Also, I would welcome the opportunity to have this matter reset en banc before the Court so the Court could speak with one voice on these particular issues.

By copy of this letter, I am notify Counsel of Record of this request and I look forward to seeing the Court on May 8th and arguing this case to the Court which is always a pleasure. As always, I appreciate all the courtesies and kindnesses shown to me by you, your office and the Court as a whole.

Sincerely yours,

Preston F. McDaniel
