Re: Michael K. Crowley v. Darlington County
Appellate Case No. 2022-000282

Dear Counsel:

On April 12, 2024, in response to your letter dated April 8, 2024, a member of my staff contacted you to clarify questions regarding the record on appeal. There are no issues with the filed digital copy of the record on appeal. The problem is the physical bound copies of the record on appeal do not match the digital record on appeal. The physical bound copies of the record on appeal include a completely different case mixed into the record on appeal.

Within five days of the day of this letter, you must provide six bound copies of the correct record on appeal.

Very truly yours,

A handwritten signature in blue ink that reads "Catherine Harrison, deputy". The signature is written in a cursive style.

CLERK
